Dear Ms. Dennis:

Thank you for acknowledging that our email response of August 23, 2017 (letter and attachments) was received. Our letter of that date (at p. 2) refers to four prior FEC Form 99 submissions. I believe the explanation set forth in the August 23 letter with respect to the reason for amendments to prior reports is likewise applicable to the September 14, 2017 FEC Form 99 submission that is referenced in the enclosure to Mr. Jordan's letter of November 20, 2017.

We appreciate the opportunity to answer this additional FEC question. I have copied this email to CELA@fec.gov to satisfy the direction in the November 20, 2017 letter for further correspondence with the FEC. Please provide an electronic receipt. Thank you.

Yours truly,

Laurence Laufer

Mr. Laufer,

This is to follow up to the phone call we had yesterday in reference to RR 17L-24. The response does not specifically address the new allegation in reference to the 2017 February Monthly Report, which discloses an additional \$227,971.30. Your response addressed the pre-election and post-election reports and their amendments.

We do not generally mention previous responses submitted when notifying respondents of

supplementary matters it is noted in the case file and does not factually affect the new notification.

I have included Mr. Rigsby on this email, he is the attorney assigned to this case and will be able to assist you with any other concerns you may have. Thank you for your time and enjoy your day.

Kind Regards,

Christal Dennis
